

**MBSE WG  
13/08/2012**

**Questions?**

- What's our relationship with INCOSE UK?
- Do we wish to go to ASEC 2012?
  - Engineers - Feed their enthusiasm
  - Management - Saves Money
- How do we sell MBSE?
  - So question may be reversed for them
  - Simon Says - some people think this is all MBSE is
- Question from TR: Do we include Simulation in our remit?

**Decisions**

- We should have a presence at ASEC2012
- Steve Lilleyman proposed and agreed as Secretary
- James Towers proposed & agreed as chair
- SP put forward and got instant agreement
- We need to promote the S as Systems not Software

**Objectives**

- Start at ASEC2012
- Once we've agreed objectives
- Widen Membership

**Actions**

- MBSE Challenge
- +US Chapter WGs
- JT: Find out more about INCOSE International MBSE work
- SP: What's happening at IET SE PN
- Railway? Competencies? Architecture? Who are we interested in and who's interested in us
- JT: Communicate with other WGs
- All: Review Z9 and comment
- Page on INCOSE UK Website
- JT: Talk to Emma Jane about IT support
- All: Suggest objectives
- Steve Lilleyman: Setup second meeting at end of September
- JT: Share contact details with Steve

**Present**

- Object Flow
  - Acting Chair: James Towers
- Purple Secure Systems
  - Steve Lilleyman
  - Steve Lomas
- Atego: Simon Perry
- Cranfield University: Tom Riley

**Apologies**

- Hi Q Systems: Robbie Forder
- INCOSE UK
  - INCOSE UK Technical Director: Andrew Farncombe
- Purple Secure Systems
  - Jez Williams
  - Andy Medwell
  - David Harris
  - Chris Brown
- Atego: Jon Holt
- NMI: Jon Older
- Mathworks: Chris Hayhurst

**Welcome & Introductions**

- JT Welcomed everyone and thanked PSS for their hospitality
- Steve Lilleyman introduced himself
- Steve Lomas introduced himself: Posed question - What should this WG own?
- Simon Perry introduced himself: Posed question - How do we share knowledge when we work in secure environments?
- James Towers introduced himself
- Tom Riley introduced himself

**Explore the context w.r.t other MBSE activities**

- JT has been made aware of INCOSE International MBSE Challenge
- MBSE WG in US
- SE Professional Network at IET seems dormant
- IET
  - Simon & John
  - They do provide training
  - Simon & John again
  - And books
- What are the other WGs doing?

**Discussion on the structure, purpose and objectives of WG**

- Steve Lomas asked: Which is good! He holds views on this
- What do we own?
  - Steve Lomas
  - Don't set objectives too high
  - 1 Objective 1 - Agree what MBSE is
  - Ask Robbie and INCOSE UK if this is ok?
  - 2 Objective 2 - Bring Z9 under our wing
  - What are our outputs?
  - Feed into MBSE Competencies
    - Do we need to update?
    - Are they well defined
  - SP: Would like us the the custodians of MBSE at INCOSE UK
  - Although - Not our role to redefine SE
